Leadership Development and Assessment Course (LDAC).

Leadership and critical thinking abilities. The focus is developing cadets' leadership attributes and actions. Based on such feedback, tactical operations. Cadets receive systematic and specific feedback as they are presented with challenging scenarios related to squad teamwork and tactics in real-world scenarios. Challenges cadets to study, practice, and evaluate adaptive leadership skills as they are presented with challenging scenarios related to squad tactical operations. Cadets receive systematic and specific feedback on their leadership attributes and actions. Based on such feedback, as well as their own self evaluations, cadets continue to develop their leadership and critical thinking abilities. The focus is developing cadets' tactical leadership abilities to enable them to succeed at ROTC's summer Leadership Development and Assessment Course (LDAC).

MSL 3002. Leadership in Changing Environments. 4 Credit Hours.
Uses increasingly intense situational leadership challenges to build cadet awareness and skills in leading tactical operations up to platoon level. Cadets review aspects of combat, stability, and support operations. They also conduct military briefings and develop proficiency in garrison operation orders. The focus is on exploring, evaluating, and developing skills in decision-making, persuading, and motivating team members in the contemporary operating environment (COE). Cadets are evaluated on what they know, and do as leaders as they prepare to attend the ROTC summer Leadership Development Assessment Course (LDAC).

MSL 3XXX. Military Sci Elective. 1-21 Credit Hours.

MSL 4001. Developing Adaptive Leaders. 4 Credit Hours.
Develops cadet proficiency in planning, executing, and assessing complex operations, functioning as a member of a staff, and providing performance feedback to subordinates. Cadets assess risk, make ethical decisions, and lead fellow ROTC cadets. Lessons on military justice and personnel processes prepare cadets to make the transition to Army officers. MSIV cadets analyze, evaluate, and instruct cadets at lower levels. Both their classroom and battalion leadership experiences are designed to prepare cadets for their first unit of assignment. They identify responsibilities of key staff, coordinate staff roles, and use situational opportunities to teach, train, and develop subordinates.

MSL 4002. Leadership in a Complex World. 4 Credit Hours.
Explores the dynamics of leading in the complex situations of current military operations in the contemporary operating environment (COE). Cadets examine differences in customs and courtesies, military law, principles of war, and rules of engagement in the face of international terrorism. They also explore aspects of interacting with non-government organizations, civilians on the battlefield, and host national support. The course places significant emphasis on preparing cadets for their first unit of assignment. It uses case studies, scenarios, and "What now Lieutenant?" exercises to prepare cadets to face the complex ethical and practical demands of leading as commissioned officers in the United States Army.

MSL 4801. Special Topics. 1 Credit Hour.
Topics and research will pursue areas of military science not extensively treated in other Military Science courses.

MSL 4802. Special Topics. 2 Credit Hours.
Topics and research will pursue areas of military science not extensively treated in other Military Science courses.

MSL 4803. Special Topics. 1-3 Credit Hours.
Topics and research will pursue areas of military science not extensively treated in other Military Science courses.

MSL 4804. Special Topics. 4 Credit Hours.
Topics and research will pursue areas of military science not extensively treated in other Military Science courses.

MSL 4805. Special Topics. 5 Credit Hours.
Topics and research will pursue areas of military science not extensively treated in other Military Science courses.

MSL 4901. Special Problems. 1-21 Credit Hours.
Permits independent study with a faculty member. Topics and research will pursue areas of military science not extensively treated in any other Military Science class.

MSL 4XXX. Military Sci Elective. 1-21 Credit Hours.
