

DOD TUITION ASSISTANCE (TA)

The Tuition Assistance (TA) program pays the cost of tuition and some additional fees. Nearly all active duty military service members are eligible for TA. However, each service branch determines eligibility criteria that often reduce access. Tuition Assistance covers up to 100% Tuition and Fees, not to exceed \$250.00 per semester credit hour or \$4500.00 per fiscal year.

All service members should speak with their Educational Services Officer (ESO) or counselor within their military service prior to enrolling at Georgia Tech or any institution. Since military funding is limited, it is important for all service members to use all their resources in making any educational decision.
