

UNDERGRADUATE EMBEDDED CERTIFICATE IN ENTREPRENEURSHIP

The Entrepreneurship Certificate combines courses in several of the functional areas of business to create in-depth knowledge of entrepreneurship, whether within a start up or in a large organization (intrapreneurship). The certificate is available to both business administration and all other majors at Georgia Tech.

The certificate covers knowledge and skills surrounding the entrepreneurial process including opportunity recognition, concept development, business plans, resource acquisition, and value creation.

For more information about Scheller College of Business certificates and how to apply, click [here](#).
