

XIII. UNDERGRADUATE DEGREES

A. General

1. To be considered for admission to candidacy for a degree, a student must complete the Online Application for Graduation during the academic term preceding the term in which she/he will complete the degree requirements for her/his program.
2. A student who wishes to withdraw her/his name from the rolls of degree candidates must formally withdraw the Online Application for Graduation before the end of the seventh week of the semester (or fourth week of the summer term). This privilege will be extended to a degree candidate only once.
3. A degree program may include a maximum of four hours of basic ROTC and a maximum of six hours of advanced ROTC.
4. The diploma of a candidate for a degree shall bear the date of the commencement at which the degree is awarded.
5. All requirements for the degree must be completed and certified by the Registrar no later than 48 hours after Final Grade Submission Deadline of the academic term in which the candidate intends to graduate. If a candidate is not certified by the appropriate deadline, the candidate will be graduated at the next scheduled commencement. The diploma will bear the date of the commencement at which the degree is awarded. It is the responsibility of the student to reactivate the Online Application for Graduation for the appropriate term.

B. Residency Rule

No student may be considered a candidate for a degree unless the final 36 credit hours required for the degree are earned in residence at Georgia Tech and approved by the major school.

C. Ten-Year Rule

Work that was completed more than ten years prior to commencement must be validated by special examinations before it can be counted toward a degree.

D. Requirements For a Bachelor's Degree

1. To be a candidate for a degree, undergraduate students must have passed or be enrolled in all courses required for the degree, must have a grade-point average for their entire academic program of at least 2.00, and must have done creditable work in their departmental courses so as to merit the recommendation for the degree by the chair and faculty of their school.
2. A bachelor's degree program must require at least 21 credit hours of upper division courses in the major field and at least 39 credit hours of upper division work overall.
3. A bachelor's degree program must require at least 120 credit hours, plus the Wellness Requirement, for a total of 122 credit hours.
4. A student, with the approval of her/his school or specialization, may satisfy the requirements for a bachelor's degree by meeting all of the requirements associated with any one curriculum year that has been in effect during her/his period of enrollment in the Institute (or that has been in effect during her/his last two years in the program at one of the RETP institutions, if her/his enrollment there occurred prior to her/his enrollment at Georgia Tech). A curriculum year is in effect

for a student only if the student's date of matriculation is prior to the ending date of the Spring Semester concluding that curriculum year.

5. Constitution and History Requirements
 - a. The Georgia law, as amended March 4, 1953, requires that before graduation all students pass examinations or pass comparable courses in United States and Georgia history and in the United States and Georgia Constitutions.
 - b. For courses that may satisfy the Constitution Requirement and History Requirement, see the Core Curriculum (<http://www.catalog.gatech.edu/academics/undergraduate/core-curriculum/constitution-history>) section of the Catalog.
6. Regents' Exam
 - Since Spring 2010, the Regents' Exam has no longer required at Georgia Tech. To be considered a degree candidate, a student must complete an Online Application for Graduation during the term preceding the final term in residence.
7. Wellness Requirement
 - a. Unless medically exempted, all students are required to satisfy the wellness requirement prior to graduation, as specified in the Core Curriculum (<http://www.catalog.gatech.edu/academics/undergraduate/core-curriculum/wellness-requirement>) section of the Catalog.
 - b. The Health Information Record on file with the Director of Health Services will be used to determine any medical exemptions from the Wellness Requirement. All certificates of disability from personal physicians must be endorsed by the Director of Health Services before they will be accepted by the School of Applied Physiology.

E. Graduation with Academic Distinction

1. For graduation with highest honor, the minimum grade-point average (GPA) shall be 3.55.
For graduation with high honor, the minimum grade-point average (GPA) shall be 3.35.
For graduation with honor, the minimum grade-point average (GPA) shall be 3.15.
2. A student must have earned at least 60 semester credit hours (excluding remedial coursework) at Georgia Tech to graduate with highest honor, with high honor, or with honor.
3. In order to qualify for graduation with honors, all grades or grade corrections affecting the honors designation must be received and certified by the Office of the Registrar no later than noon on Wednesday following Commencement.
4. Tentative honors at graduation (recognized at Commencement) are determined by the grade-point average (GPA) entering the graduating term and the sum total of graded hours accumulated prior to the graduation term plus graded hours registered for and pending during the graduation term.

F. Second Undergraduate Degree

1. A student enrolled for a second undergraduate degree shall be classified as an undergraduate student, except that a graduate student wishing to pursue a second undergraduate degree will remain classified as a graduate student. A graduate student, with approval of the major school, may work toward a second undergraduate degree while pursuing a graduate program.

2. To be a candidate for a second undergraduate degree, a student must have the recommendation of the chair of the school concerned and the approval of the Undergraduate Institute Curriculum Committee.
3. To obtain a second undergraduate degree, a student must complete all major required courses for the degree and earn credit for a total of at least 36 credit hours in excess of the requirement for any previous degrees earned.
4. All items in Regulation XIII, "Undergraduate Degrees," (p. 1) apply to students completing second undergraduate degrees.

G. Minors

1. A student may complete a minor in another academic field while completing the requirements of her/his major degree program.
2. With the approval of the major school, the student should consult an advisor in the minor field, who can inform the student of the requirements for the minor.
3. A Change of Undergraduate Minor Form must be completed, signed by the Minor Advisor/Coordinator and the Major Advisor, and submitted to Office of the Registrar. Students are encouraged to submit the completed form when they decide to pursue the minor but no later than the Deadline for the Online Application for Graduation in the academic term preceding anticipated graduation.
4. Students who change or add a minor must complete the requirements in the Catalog that was effective for the term in which the change or addition of a minor became official, or any subsequent edition of the Catalog.
5. A readmitted student who wishes to pursue a minor must indicate her/his choice on the Application for Readmission. Requirements for the minor are those in effect at the time the student is readmitted as stated in the current edition of the Catalog. The readmitted student may select only minors offered at the time of readmission.
6. Some courses in a minor may have prerequisites that are not included in the minor description. Some minors may have additional requirements that students must meet before being admitted to that minor.
7. The student must declare any minor(s) prior to applying for graduation. A Minor Program of Study Form signed by the major and minor advisor may be required depending on the minor. Minor requirements and information for a Minor Program of Study Form are located in DegreeWorks.
8. The minor will be conferred at the same time the degree is conferred.
9. Minors may not be conferred retroactively upon students who have graduated.
10. The minor will not be printed on the diploma, but both the degree and minor will be recorded on the student's transcript.
11. A student who has applied for a minor but does not wish to complete the minor must have her/his advisor contact the Office of the Registrar for the minor to be removed prior to completing an Online Application for Graduation. Minors will be audited with the major and the status will be noted in DegreeWorks.
