In addition to the guidelines listed below, you are responsible for reviewing and following the general guidelines for minors: <http://www.catalog.gatech.edu/academics/minorguide.php>

- A. The Computer Science minor must comprise at least 18 semester hours of computer science coursework of which at least 12 hours must be at the 3000 level or higher. Courses at the 3000 – level or higher must be selected from any existing required or elective Computer Science course in any “Thread.” At least two of those courses must be in the same Thread.
- B. **Prerequisite for the minor is CS 1331.**
- C. No Special Problems or Internship coursework may be used towards the CS minor.
- D. All courses must be completed with a grade of C or better.

It is the **major advisor’s responsibility** to verify that students are not using any courses required by name and number for their major, that they are not using any core area A-E courses (including humanities and social sciences), and that they are not using any courses for more than one minor or certificate. Free electives and technical electives may be used towards minors.
