The EAS minor with an Environmental Science track is for students in majors outside of EAS who have an interest in understanding the Environment and issues surrounding it. Prerequisites required for some of the classes listed below. **This minor must comprise at least 15 semester hours, of which at least 9 semester hours are upper-division coursework (numbered 3000 or above).**

A. **Required Course:** EAS 1600 or 1601

B. **Electives:** Choose **11 credit hours:** EAS 2600, 2750, 3110, 3620, 4410, 4420, 4300, 4350, 4699, 4740

No more than 3 semester hours of Special Topics courses may be used. No more than 3 semester hours of Undergraduate Research may be used. No more than 3 semester hours of Special Problems courses may be used.

It is the **major advisor’s responsibility** to verify that students are not using any courses required by name and number for their major, that they are not using any core area A-E courses (including humanities and social sciences), and that they are not using any courses for more than one minor or certificate. Free electives and technical electives may be used towards minors.
